617-682-5775

As one of the principal owners, and Director of Production, Gregory has a hands-on approach with all of Hull Bay's projects. Whether it's buying the latest equipment and platforms for the producers and editors, to sitting in on very important budgetary decisions, Gregory prides himself in being an integral part of the day-to-day operations of Hull Bay Productions.

Gregory is a Communicators Award recipient for his series on Suicide, as well as an Official Honoree by The Webby Awards for the same series.

Gregory served as Associate Producer and Cameraman on Hull Bay's first film documentary, 100 Years, 100 Voices of Faith. Gregory is currently the Executive Producer for More Than Our Skin.
